# “DAV : THE PIONEER OF EDUCATION.”

**PADMASHREE SHRI PUNAM SURI**  
PRESIDENT, DAV CMC

**Dr. (Mrs.) NISHA PESHIN**  
DIRECTOR, PUBLIC SCHOOLS &  
DIRECTOR, ACADEMICS (DAV CMC)

DAV College Managing Committee is the largest non-governmental organisation in India with a conglomerate of more than nine hundred schools and seventy five colleges. It was founded in 1886 by Lala Hanshraj in memory of Swami Dayanand Saraswati, who was a versatile genius, social and religious reformer, educationist, a benefactor of humanity and a harbinger of national movement. These schools are run by DAV College Managing Committee. Today DAV has become a brand in education and it holds the record for producing the highest number of CBSE toppers during the last few years. DAV is a movement today, engaged in building the nation through awareness and education.

The sole objective of DAV CMC is to make the world a better place by spreading education. Since its inception over a century ago, the DAV institutes have played a significant role in educational and cultural rejuvenation of India. The DAV schools have endeavoured to provide education that is a unique synergy of values from the Vedas and modern educational methodology and technologies. The aim of DAV schools is to inculcate in students a thirst for knowledge, devotion to duty and honesty and patriotic fervour besides humanism. DAV institutions have rendered unique services in not only dispelling ignorance and illiteracy but also in producing patriots, freedom fighters, social reformers, intellectuals, thinkers, legal luminaries, scientists and many other professionals of unparalleled merit, integrity and calibre.

The unique blend of academics, co-curricular activities and value education imparted by the DAV schools continue to set them apart from the crowd. The young ones who pass its corridors grow up to become caring, productive, responsible citizens and future leaders of the country. DAV creates an atmosphere of purity, efficiency, discipline and fraternity with a special emphasis on spiritual values, character building and a sincere dedication to the service of the mankind. With Padma Shree Shri Punam Suri at the helm, the DAV institutes are marching ahead continuously on their voyage of excellence.

**"FOR THE WINNERS, THE SKY IS NOT THE LIMIT."**

**SHRI B.N. SHUKLA**

Chairman-Cum-Managing Director, MCL.

MCL Lingaraj DAV Public School, Talcher has been conceptualized as an outstanding facility matching the best not just in Odisha but in the whole country.

A child grows into a responsible adult with a well-rounded personality only if nurtured in an environment that fosters excellence. With this in mind, we have partnered with DAV group to create finest of schools in the country. The school has been planned with an excellent sporting and cultural infrastructure. It will offer the best of sporting, cultural and intellectual enrichment, grooming its students to be among the best. The school will be IT enabled to offer the finest of learning experience.

MCL as a responsible corporate entity has always believed in providing quality education. The school will surely put Talcher on the national radar through the quality of students it turns out.

As partners in this mission, I wish the DAV management the very best on its journey of turning this into reality.

(B.N. SHUKLA)

**SHRI KESHAV RAO**

Director(P), MCL.

Education is the foundation of a civilized life. It makes us grow to be responsible towards our family, society, nation and world. An educated person makes the world a better place. The quality of education one receives, decides one's worth as a citizen.

MCL in collaboration with DAV institutions has worked consistently to bring top class education to the children in its colonies/command areas. This has been a constant endeavour and we wish to continue this association for a long time to come.

Seeing the popularity of DAV schools, we have never shied away from our duties to continuously provide more and more schools to the people living in and around our command areas. Therefore, it is a pleasure to inform that a DAV Public School is being opened at Lingaraj Area, MCL, Dera, Talcher. It will cater to the educational needs of the locality, and meet the expectations of people with its latest curricula, infrastructure and teaching. Like the other reputed schools in MCL command areas, this school will also grow, play its part in fulfilling the dreams of children.

I extend my warm wishes to all.

(KESHAV RAO)

**"Our motto: Excellence is our tradition."**

**SHRI K.R. VASUDEVAN**

Director (Finance), MCL.

It gives me immense pleasure to know that a DAV Public School is opening at Lingaraj Area, Talcher from this academic year.

There is no greater form of preparation for change than education and I am glad that DAV School has partnered with MCL in this mission.

In fact, the bond of MCL with DAV Management in creating a distinctive atmosphere in coalfield areas for excellence in all-round education and academic leadership needs no elaboration. I hope this bond shall continue in times ahead and the new school will help to achieve the high aspirations of the children of our employees.

I extend my congratulations and best wishes to everyone associated with the school, and wish grand success in each of their endeavours.

(K.R. VASUDEVAN)

**RAVIKESH KUMAR RAJU**

General Manager, MCL, Lingaraj Area, Talcher.

It gives me immense pleasure to announce that DAV PUBLIC SCHOOL, Lingaraj Area will commence its academic session from this year. My good wishes on the launching of DAV PUBLIC SCHOOL, Lingaraj Area. I am confident that it will set excellent standards in the field of overall development of children.

I wish all the best to team DAV, Lingaraj Area.

(RAVIKESH KUMAR RAJU)

**"The journey of a thousand miles begins with a single step."**

**SHRI L. N. PRADHAN**  
R.O., DAV P.S, ODISHA, ZONE - II.

The journey of an organization begins with a saga of meticulous planning, unwavering commitment of all stakeholders and optimum & efficient utilization of all materials and human resources at hand. I believe that an eminent institution has well established core organizational values, climate and culture true to its name. The intrinsic and inherent asset of DAV institutions is its value based education system that makes it stand apart. Most importantly, we are in a century when science has become a way of life pervading every aspect of human life with its ever evolving technological innovations. To make our modern classrooms interactive and interesting, the dynamics of change and transformation unleashed by innovations and inventions must be harnessed to develop the multifarious talents of children. We envision a world class school with most modern infrastructure catering to diverse interests and talents; an amalgamation, and assortment of activities, best practices and events essential for a paradigm shift in learning experience, robust and sound minds at the helm of affairs in managing and providing quality education. DAV Public School, Lingaraj Area, MCL, Dera, Talcher can hopefully fulfill the aspirations of one and all.

(L. N. PRADHAN)

# LINK WITH THE STAKEHOLDERS

## PTA

A robust environment is established for holistic growth of a child by synergistic partnership of the school with the parents. The PTA creates a healthy environment as it holds meetings round the year to address the needs of the children and build a strong relationship with the stakeholders.

## CIRCULARS

Timely emails, circulars for current happenings, competitions, events or urgent notices are forwarded to the parents.

## SMS UPDATES

SMS Updates also include timely announcement of events, or any immediate cause that needs to be addressed by the parents.

Parents, students and teachers are the potential stakeholders of a school. While the teachers and students are directly related with the school, the parents are sometimes left isolated which retards the progress of a school. The parents have a pivotal role in shaping up the character of the students. A balance of education at home and school moulds a student's actual learning and the role of parents therefore is not limited to home but involvement in school activities also.

The parents are treated as the catalytic converters in the quest for quality education. High self-esteem and student achievement are closely related to positive parental involvement in school. When parents get involved in school, it can be a motivating factor for the child. The child feels that the school is important not only for him/her but also for his/her parents.

Parents consider the school as a trusted stranger and leave their children with that stranger with heaps of hopes and aspirations. Their trust must not be shattered. Keeping this in view, we always want to make the parents and students enlightened about the latest happenings at school and involve them in all the activities of the school. We believe parents are equal in the learning and academic progress of their wards. This, in turn, helps us to have a good rapport with the parents.

**STAKEHOLDER PARTICIPATION IS THE KEY TO UNBOUNDED PROGRESS.**

# COMMUNITY OUTREACH

*A communion with the local community is essential for the greater interest of the school and community as a whole. Learning is not just about local happenings inside the school or at home. Children also learn a lot from the society where they live along with their friends. We envisage it and provide platform for the positive exposure of children with the community around by undertaking social initiatives to make them responsible citizens of the future.*

**Social awareness rallies to sensitise the community to gender sensitivity.**

**Environmental Awareness and Development of Eco-sensitivity.**

**Taking part in events and competitions organised by local clubs and organisations .**

**Sanitation and hygiene drive by school Eco-club and taking part in campaigns like Swachh Bharat Abhiyan.**

**Crusaders in their crusade against the drug abuse.**

**Awareness Drive: Spreading the mantra of 'Health is Wealth'.**
